Dear Parents/Guardians:

Student Planners

All students in Grades 2 to 7 are required to have a student planner to assist them in developing their organization and study skills. The cost of the student planner is \$7.00. Students use their planners daily to record homework assignments and tests, upcoming field trips and special announcements. Each night, students should review their planner with their parents. Parents can support their children’s learning by helping them establish a routine with homework and to use the planner daily.

Please pay online at <https://burnaby.schoolcashonline.com> by Monday, September 19, 2016. Please indicate reference # below and submit form to your child’s teacher.

Sincerely,

Mrs. Aujla
Principal
