

Dear Parkcrest Summer Session Families,

Welcome to Parkcrest! We are excited that your child(ren) will join us this July!

What can I expect on day 1?

Students will enter through designated classroom & outside doors. Room numbers and course names will be posted in each classroom. A map is attached for your reference.

You can find the site supervisors, Ms. Chan and Ms. Cipparrone, in safety vests outside the school day morning if you need any assistance.

Wondering if there is space in a different course?

Please line up and visit our office staff who will be at a table at the front of the school. We will be accepting course change/registration queries on a first come first serve basis, using a QR code to scan and fill out your contact info and request online. Please note that you will need a device and internet access to do this. After you have filled out the online form, there is no need to stay. We will contact you if a space becomes available in your requested course.
